CLIENT REGISTRATION

This document contains important information about my professional services and business policies. It also contains summary information about the Health Insurance Portability and Accountability Act (HIPAA), a new federal law that provides new privacy protections and new patient rights with regard to the use and disclosure of your Protected Health Information (PHI) used for the purpose of treatment, payment, and health care operations. HIPAA requires that I provide you with a Notice of Privacy Practices (the Notice) for use and disclosure of PHI for treatment, payment and health care operations. The Notice, which was provided separately, explains HIPAA and its application to your personal health information in greater detail. When you sign this document, it will also represent an agreement between us and your understanding of the limitations on confidentiality.
